Our Vision

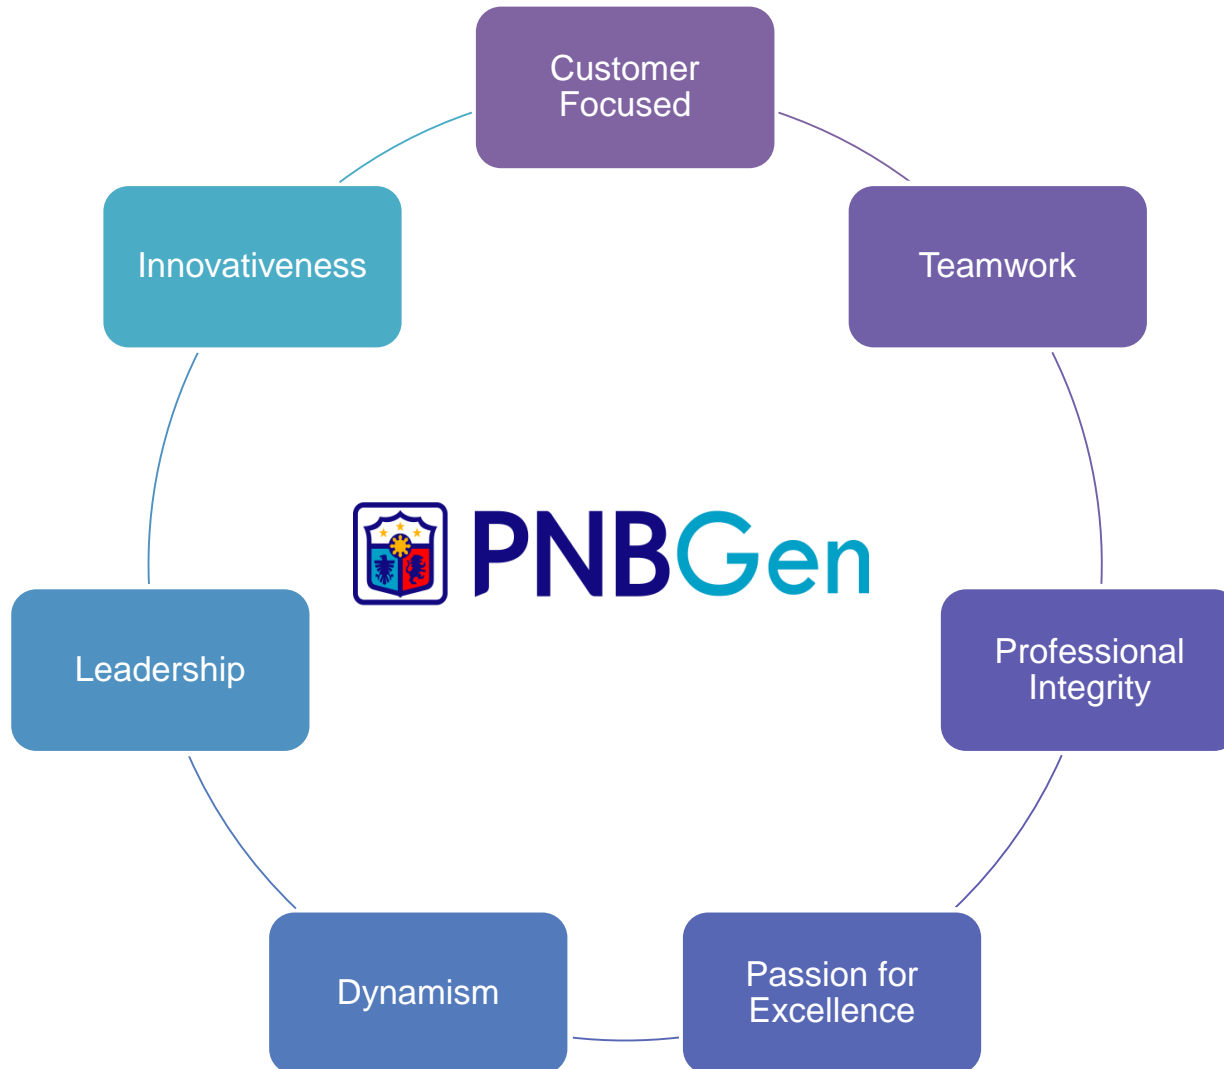

We will provide our shareholders with total returns superior to our peers, by building on our core capabilities. In doing so will be acknowledged as

- One of the leading non-life insurance companies in the Philippines;
- One of the “top 3” in leadership position in our chosen market segments;
- A company setting the standards others aspire to achieve;
- A company known for superb management of our business, in terms of execution, commitment and entrepreneurial drive.

Our Mission

We are a dynamic company providing and continuously developing a wide range of highly innovative and superior products and services.

The needs of our customers, the welfare of our employees, the requirements of our shareholders, and the support of our business partners including our re-insurers, brokers and agents are our utmost concerns.
