Introducing

House Protector Plan

Unexpected incidents happen everyday. The cost of replacing or repairing your property due to unforeseen events can be financially disruptive, unless you are fully protected. As a valued client, we offer you our House Protector Plan (HPP) which will provide complete protection to your residential house and its contents against the following;

Broad Cover

- Fire and Lightning
- Earthquake
- Typhoon
- Flood
- Extended Cover (explosion, smoke, vehicle impact and falling aircraft)
- Riot, Strike & Malicious Damage

You may also insure your property for a limited coverage of **Fire and Lightning only** at a lower premium cost.

PNBGen is a 100% owned subsidiary of the Philippine National Bank. It has one of the highest capitalization in the insurance industry. Insuring with PNBGen gives you steel clad protection.

TERMS AND CONDITIONS

All terms and conditions of the House Protector Plan are subject to standard fire insurance policy of PNBGen.
